

Aims

At Hawkshead Community Pre School CIC we aim to provide a safe, warm and friendly setting for children to develop and grow as an individual.

Within a happy, positive and stimulating atmosphere we will provide a wide range of teacher-led activities to enable children to reach their full potential.

We are committed to promoting equality of opportunity for all our pupils, regardless of race, gender or additional need.

We offer children and their parents a positive and supportive environment and work in partnership with parents to help children learn and develop.

We are proud to be a part of our local community and will endeavour to add to the life and well-being of our local community.

Our staff are essential to achieving the philosophy of the preschool. We value our staff and will support and develop our staff and provide a good place to work.

As a preschool, we welcome and work with other childcare providers and local primary schools to best meet the needs of the children within our care.
